

Post-Pandemic Pedagogy - how can universities help create a more just and equitable world?

26 August, 2020

Conversations between film and audiovisual schools in the global south, based on themes that encompass diversity, justice and the teaching of these schools in a post-pandemic world.

Promoted with SCEDI and CIBA / CILECT

Host: Theodore Life (Emerson College, Estados Unidos) Guests: Esther Hamburger (Universidade de São Paulo); Griselda Flesler (Universidad de Buenos Aires); Lilian Solá Santiago (filmmaker, Centro Universitário Nossa Senhora do Patrocínio); Livia Perez (filmmaker and post-graduate student at Universidade de São Paulo); Nduka Mntambo (Wits School of Arts, África do Sul).
